

# DS-7002 Information Form

A J-1 Student Intern is required to present a Training/Internship Placement Plan, known as the Form DS-7002, when applying for a J-1 visa at a U.S. embassy or consulate. The DS-7002 outlines the proposed internship. It demonstrates that the Student Intern and the hosting University of Florida department have agreed on the educational research objectives that will be reached during the internship program. It also explains how the Student Intern will be supervised throughout the internship.

The primary faculty supervisor must complete and sign this form. After you submit this form to EVS, a J Advisor will review and respond. If the information is approved, the J Advisor will enter the information into SEVIS and print the final SEVIS generated DS-7002. The primary faculty supervisor and J-1 Student Intern must sign and return the final SEVIS generated DS-7002 in order for EVS to issue the Form DS-2019. The DS-2019 is the document that permits a prospective exchange visitor to seek an interview at a U.S. embassy or consulate in order to obtain a J visa to enter the United States. **This form cannot be scanned and must be saved as an attachment with all applicable fields filled.**
