Welcome Global Gator!

As an Exchange Student you are a valued part of what makes the University of Florida (UF) great! We believe that you will leave your mark on UF by bringing your global perspectives to our campus community, from joining in-class discussions to experiencing Gator games. In turn, we hope UF leaves an imprint on you. Consider the UF International Center (UFIC) your home-away-from home while you're with us. The Exchange Student Services (ESS) unit houses your J1 Visa Advisor and works jointly with UF academic departments and other offices to coordinate your exchange program. ESS also manages communication with your Home University along the way.

Enclosed in this packet are key documents required for your visa application:

- Exchange Program Invitation/Acceptance Letter
- DS-2019 Form; Form of Eligibility for J1 Visa Status
- US Department of State Welcome Brochure

Your exchange program started the moment you opened this envelope! Please follow all these guidelines and steps carefully to ensure a successful journey.
