

Reimagining Fieldwork: Sharing Experiences & Transforming Approaches

WED. NOV. 1
3:00 - 4:30 pm
Reitz Union
G330

Happy hour social to follow
@ First Magnitude Brewery!
1220 SE Veitch St., Gainesville

This workshop aims to facilitate a discussion about the expectations, challenges, and realities of fieldwork while examining approaches that are more inclusive of local communities and collaborators.

Topics to be discussed:

- Expectations and challenges
- Reconciling expectations vs realities
- Conducting research that is equitable & ethical
- Transforming research practices from extractive (“helicopter science”) into inclusive
- Importance of local knowledge systems & contributions of local partners

Hosted by graduate students from TCD & the (Beyond) Helicopter Science Working Group
